### **Boston Realty Advisors leases space to Safety Insurance**

Safety Insurance has signed a 5 year lease for space at 134 Rumford Avenue in Newton, MA.

Boston Realty Advisors' commercial leasing brokers, Adam Meixner and Jeremy Freid, represented the Tenant, Safety Insurance and Cheryl Schoenfeld nant, Nimble Assessment Systems Inc in the transaction.

Safety Insurance was founded in 1979 with a belief that they would succeed as a company if customers were given the best possible service. As they have grown and expanded their product line to include a full range of property and casualty insurance products, staying committed to that belief has meant even more. At Safety, they do everything in their power to make it easy for their agents and policyholders to do business with them; and they also do all they can to ensure their clients have the skills to avoid dangerous driving situations and keep their loved ones safe whenever they are on the road.

Boston Realty Advisors Office Division specializes in assisting in tenant representation, landlord representation and corporate advisory services. In the Tenant Representation capacity, they assist tenants with new space acquisition, renegotiation of existing leases, space disposition, strategic planning and lease auditing. For Landlord Representation, Boston Realty Advisors offers institutional and private ownership groups sophisticated, value adding, technology-driven services including marketing, reporting and strategic planning.

The firm, Boston Realty Advisors, with offices in Boston's Back Bay and Manhattan's Downtown, is extremely unique for offering residential, office, retail and medical real estate brokerage, all under one roof. For more information, please visit [www.bracommercial.com](http://www.bracommercial.com)
