Boston Realty Advisors leases space to Care Everywhere

Care Everywhere has signed a multi year lease for 7,100 SF of space at 9 Tech Circle in Natick, MA.

Boston Realty Advisors' commercial leasing brokers, Adam Meixner, Jeremy Freid, and Wil Catlin represented the Tenant, and New Dover Associates represented the Landlord in the transaction.

Care Everywhere is an OEM software and services company focusing on the integration of medical devices with healthcare information systems. Their software development team has in-depth knowledge and experience in medical device design, healthcare information systems, and nursing workflow applications. Their medical device Gateway Server product, and VitalCare® application suite provide framework solutions for integrating medical devices with electronic medical record systems and nursing workflow applications.

Boston Realty Advisors Office Division specializes in assisting in tenant representation, landlord representation, and corporate advisory services. In the Tenant Representation capacity, they assist tenants with new space acquisition, renegotiation of existing leases, space disposition, strategic planning, and lease auditing. For Landlord Representation, Boston Realty Advisors offers institutional and private ownership groups sophisticated, value adding, technology-driven services including marketing, reporting and strategic planning.

The firm, Boston Realty Advisors, with offices in Boston's Back Bay and Manhattan's Downtown, is extremely unique for offering residential, office, retail and medical real estate brokerage, all under one roof. For more information, please visit www.br advisors.com/commercial
