Doorakian of Boston Realty Advisors leases space to Luna Boston.

Luna Boston has leased an office space in the heart of Boston's South End at 121 E Berkeley Street.

Boston Realty Advisors' commercial broker, Bonny Doorakian, represented **Luna Boston** and represented the owner, Southeast Properties in the transaction.

Luna Boston brings you the best selection of handbags to help you hone and define your personal style. They carry bags and more from the top emerging and harder-to-find designers in the US and beyond...so, whether you are looking for Hollywood's favorite new young designer, the next hot handbag label, or simply a stylish, distinctive bag for every day, you'll find it at Luna Boston. What you won't find here are bags that you'll see on the arm of every woman in your neighborhood, or status bags recognized for their logo and price tag, and not their design. They know that style is far more than that, and they know how good it feels to be stopped on the street and complimented on your bag. This is what they aim to bring to their customers.
