For Immediate Release:

Former Sal's Family Restaurant site now being marketed for Development

The site that saw Sal's Family Restaurant serve food to locals for 40+ years is now on the market for Sale or Lease after an unfortunate fire took place in July 2007.

The .66 Acre site situated at the traffic light at Newton and Main Street (Route 20) in Waltham has since been cleared and awaits its new buyer or tenant to build a new history. The site consists of 4 parcels, 3 of which are zoned "Business A," and the other is zoned "Residential A-4." Buyers and tenants have until 5pm on Friday May 9th to submit their offers to Boston Realty Advisors, the firm retained by the owners to market the site.
